TOWN OF FREDERICK UNIVERSITY SCHOLARSHIP PROGRAM (2012-2013 Academic Year)

The Town of Frederick has established a program that provides two four-year scholarships per year for graduating high school seniors (one for a male student and one for a female student) who are Frederick residents. This scholarship grants each recipient \$1,000 per year for four years for post secondary educational expenses, provided that the recipient is able to meet the on-going eligibility requirements throughout the four year period. To be considered for this scholarship, eligible students must complete the attached application form and submit that along with (1) three letters of recommendation, (2) a student essay as described herein, and (3) a high school transcript, including cumulative high school grade point average (GPA) and ACT (college entrance exam) scores. These materials must be received by the Town of Frederick no later than **Thursday, April 4, 2013** in order to be considered by the Town of Frederick University Scholarship Program application review committee.

QUALIFICATIONS

To be eligible for consideration, students must meet the following four requirements:

- The applicant must be a graduating senior from an accredited high school or home school program
- The applicant must be a resident of the Town of Frederick
- The applicant must have a cumulative grade point average of 3.0 or higher and must have taken a college preparatory curriculum
- The applicant must have demonstrated excellence in extra-curricular activities such as drama, music, art, student government, athletics, science, leadership or service organizations, or other relevant activities.

RESTRICTIONS

The following are restrictions for the on-going receipt of the scholarship:

- The student must attend an accredited college or university and have a plan to pursue a bachelor degree. Attending a junior college for the first two years is acceptable.
- To remain eligible for funding, the student must maintain at least a 3.00 grade point average during their college experience.
- Payment of the scholarship funds will be made directly to the college or university on an annual basis.

The Town of Frederick scholarship review committee or staff will review all continuing students (students awarded scholarships in previous years) for compliance with grade point average, college registration, and degree pursuit requirements.

APPLICATION AND SELECTION

Application for the scholarship must be made on the attached form supplied by the Town of Frederick by the date specified above. Selection will be based on the review of the submitted materials (including the letters of recommendation and the quality and content of the student essay) by the Town of Frederick scholarship review committee. The review committee will make recommendations to the Town of Frederick Board of Trustees for one female and one male applicant each year.
